Sleep at Craveiral.

We do not seek to simply offer our guests a comfortable stay. Sleeping at Craveiral means **feeling** the authenticity of those who welcome you as you welcome friends at home, and the modernity of those who know that true **luxury** is so **simple** after all.

O Sol na eira e a chuva no nabal.

Three swimming pools, one of them indoor, a restaurant with a farm-to-table concept by Chef Alexandre Silva, which extends to catering for your event. A nature interpretation center, an orchard, farm animals, plenty of space for everything to fit in perfect balance with whatever the purpose of your event, and more than that... time. Here, we seek to provide experiences that allow you to enjoy your event with time, between the countryside, the mountains, the fresh air, the stars and the ocean.

We are not a Hotel. We have the ideal simplicity and tranquillity to host your event. In addition to all this, at Craveiral we are *Pet Friendly*, could you ever imagine taking your pet to a corporate event? Here, it is possible, bring your 4-legged friend.

Never **working**, **celebrating**, or **innovating** has been so pleasing.
